A Guide to Dalmuir Out of School Care Group

Background:

Dalmuir Out of School Care Group (DOSCG) was established in 1992 as a not-for-profit childcare facility run by parents. Initially Dalmuir Park Housing Association (DPHA) was involved with the formation of the group and over the years has continued to offer the group support. In April 2008 DPHA became the new registered providers of the service.

DOSCG Service:

DOSCG provides a service for children between the ages of 4 and 12; or to the summer prior to the children going to high school.

It also provides a school escort service during term time; collecting children from 3 local schools; Clydemuir Primary, Our Lady of Loretto Primary and St Stephen's Primary.

We facilitate a Playscheme during school holiday periods and in-service days, providing a range of activities to meet with the development needs of the children.

Our aim is to provide a high quality, safe and affordable child-led out of school care facility.

Please read the information carefully, if there is anything you do not understand please contact a member of our DOSCG Staff for clarification.

Our Service is available Monday – Friday and we are situated on the 1st floor of: -

- We will respect the rights and responsibilities of parents/guardians and work in partnership with them to care for their child; ensuring appropriate information is shared as this promotes positive relationships.
- We believe that every child has the right to play in a safe secure environment which is child-led and actively promote anti discriminatory practice ensuring consultation is maintained in line with UN Convention of the Rights of the Child.

A Guide to Dalmuir Out of School Care Group

As a team we aim to:

- Provide a safe and stimulating environment for children.
- We encourage free play as well as planned activities both physical and educational.
- Implement activities and modify them to suit each child's needs and stage of development.
- Provide children with the opportunity to rest and relax, as well as take part in all activities available.

Registration Process:

DOSCG Equal Opportunity Policy ensures anti-discriminatory practice in the allocation of places.

Where a child has additional needs a discussion between parents and the Project Manager will take place to ensure that the group can provide a level of care appropriate to the individual child with the resources available.

All parents seeking a place for their children will complete a registration form. It is "vital important" that all information is disclosed when completing the registration form regarding your child's needs.

Places will be allocated on a first come first serve basis, although priority will be given to siblings already using our service. If your child is not immediately rewarded with a place you are welcome to join our waiting list.

All personal information will be kept in line with Data Protection Act 1998/General Data Protection Regulation 2018 will be accessible to certain Dalmuir Park Housing Association employees, Health, and Social Care Partnership (HSCP), Health Professionals, Police, Head Teachers of Local schools, Scottish Social Service Council (SSSC) and Care Inspectorate.

Playscheme and In-Service days:

Children who are registered and attend DOSCG on a regular basis will be guaranteed a holiday placement providing **a Playscheme Request Form is completed at least 8 weeks before the first day of Playscheme.**

Service users out with these terms cannot be guaranteed a place, although every effort will be made to accommodate parental requests.

During Playscheme and in-service days we provide breakfast and an afternoon snack. We do request that a morning snack and a packed lunch are provided daily.

Appropriate clothing and footwear must be provided by parents for all planned activities taking all weather conditions into consideration.

We ask that you support us on encouraging your child/ren to wear our **High Viz Vest** this helps to keep your child/ren safe when being escorted to and from school daily and when out on trips/outings.

Medical Conditions:

DOSCG staff must be made aware of any allergies or medical conditions that your child may suffer. This is completed as part of the registration process and reviewed on a “three monthly” basis. Parents who wish staff to prompt their child to take prescribed medication must complete a consent form detailing the medicine, dosage, and frequency the medicine should be taken.

All prescribed medication should come with original leaflet, box, or packaging.

Children will not be allowed to attend the service if they are showing signs of sickness (vomiting) or have any other ailment which could be contagious.

More information on this can be found in our administration of medicines policy.

Medical conditions that exclude your child attending DOSCG

Any child who is unwell should not attend, regardless of whether they have a confirmed infection.

Children with diarrhoea and/or vomiting should be excluded until they have had no symptoms for 48hrs after an episode of diarrhoea and/or vomiting.

Skin rashes should be professionally diagnosed, and a child should only be excluded following appropriate advice.

If an outbreak of infection is suspected the local (HPT) will be contacted.

Children will only be excluded when there is good reason. If you are in any doubt a staff member will contact the Health Protection team (HPT).

Emergency Contacts:

Parents & Guardians should think carefully when choosing their emergency contact. An emergency contact should be easily contactable and readily available. The parent/guardian must agree to inform the group if they wish to change this contact.

PARENTS MUST TAKE RESPONSIBILITY TO INFORM THE PROJECT MANAGER OF ANY CHANGES TO DETAIL HELD AT DOSCG

Collection of Children:

The person collecting a child/ren must press the intercom and identify themselves state the child/ren’s name to a staff member on the other end of intercom the person collecting the child/ren will then be greeted by a staff member and their child/ren will be handed over.

A Guide to Dalmuir Out of School Care Group

A staff member will then sign your child/ren out on our register this procedure is vital as we require knowing where your child is always. This document is also used as a **FIRE REGISTER**.

The staff must be introduced to the person authorised to pick up your Children. If an individual other than the Children's Parent/Guardian is collecting, the Project Manager must be advised in advance. This person must also be on the child authorisation list recorded within the child's personal care plan.

At registration you will be asked to give a personal password. This password will remain on your registration form and must be given to the person collecting the child. This password should be quoted to staff members prior to collection that shall authorise their release.

No person under the age of sixteen should collect a child from the group.

Staff may refuse to release a child into the care of anyone they consider to be under the influence of alcohol or drugs.

Should any parent have sole custody of a child a copy of a relevant lawyer's letter will be required as evidence. This will allow our staff to ensure your child is safe by following legal instruction.

In the instance of estranged parents with shared responsibility for a child we would ideally want a written note signed by both parents agreeing on mutually acceptable days for picking their child up. We would also need to be informed of any change to this pattern in writing and again signed by both parties. Unless there is a court order in place, parents who have parental rights and responsibilities will require proof to the Project Manager.

The group will take any steps necessary to ensure that the safety and wellbeing of any child is not compromised.

Children should only be collected from the premises of DOSCG.

Parents are asked not to collect children directly from school unless a prearrangement has been made in advance with the group at least by 1pm on the day of collection.

If you do not follow these procedures and take your child from school, the staff will assume that the child is missing and contact the police.

Should staff be unable to contact or locate any emergency contacts, under the conditions of the Children's Act 1995/Care Standards Act 2000, the Social Services Department will be contacted for advice.

Late Collection of Children:

It is the Parent/Guardian's responsibility to collect their children on time. If for any reason they are delayed, they **must** contact the group. If in the unlikely event that a child has not been collected by 6pm a **£10.00 fee will be charged to your account**.
